

### Características del motor

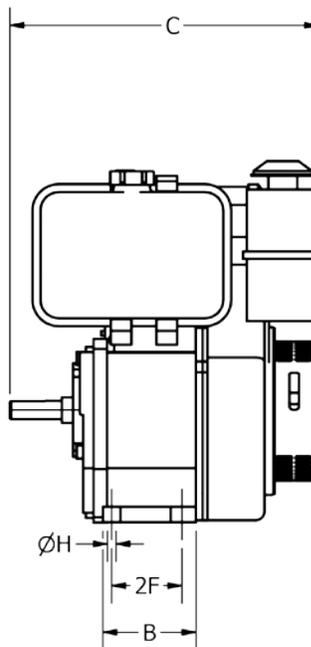

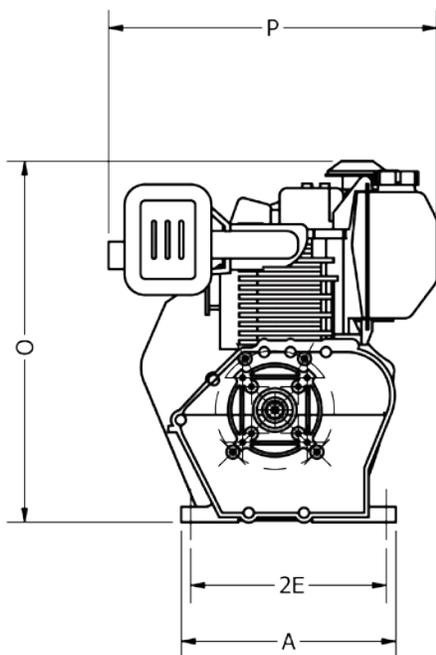

|                          |                 |
|--------------------------|-----------------|
| Modelo                   | MOTOR D 5 HF-R  |
| Marca                    | Hi-Force        |
| Ref.                     | 19297           |
| Potencia nominal (hp)    | 5,0             |
| Desplazamiento (cc)      | 211             |
| rpm max.                 | 3.600           |
| Combustible              | Diésel          |
| Tipo de eje              | Cuñero          |
| Cilindros                | 1               |
| Tipo de arranque         | Retractable     |
| Diametro de pistón (mm)  | 70              |
| Carrera de pistón (mm)   | 55              |
| Consumo (L / h)          | 1,27            |
| Peso (kg)                | 27              |
| Empaque (L x W x H) (mm) | 420 x 380 x 470 |

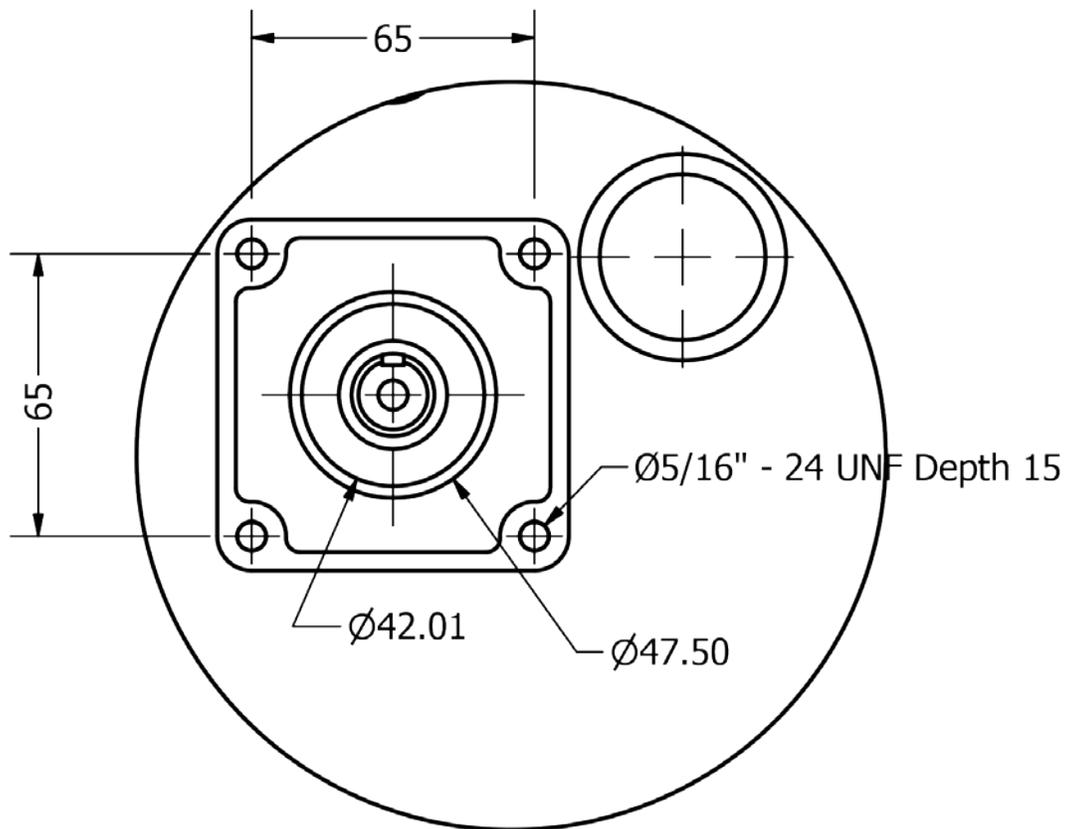

Incluye filtro de aire.
